

URBAN GREEN LAB™

VIRTUAL INTERNSHIP OPPORTUNITY

STUDENTS IN SUSTAINABILITY

2020-2021

Be placed on an employee-led Green Team at a local business or nonprofit to participate in monthly meetings and learn how to become a change maker in your community.

Info Session: August 20 @ 3pm

 **Register for Info Session**

 **Apply**

- Open to MNPS high school juniors and seniors
- Gain volunteer hours for Tennessee Promise
- Apply experience to a Capstone or AVID project
- Gain critical professional skills
- Network with peers and professionals
- Solve real-world problems

*"I became more **knowledgeable on sustainability** and I gained a lot of experience."*

*"The discussions **inspired me** to think of more sustainable habits I can implement in my life."*

*"I really enjoyed the program! Working with my partners and **making new friends** made the program that much better."*
